RE: Microsoft vs. 9 States

Hi,

Just my 2 cents.

I truly think that Microsoft has excellent products. However, I also believe that they will bury anyone who gets in their way. Something akin to "it's my way or the highway". I'd like to see a binding ruling that makes them more co-operative with others. I guess some of that power comes with their wealth. I don't envy anyone that has to make the ruling. Good luck and do you best job.

Ron
